Business transfer

At its Board of Directors Meeting held on April 11, 2006, the Company resolved to purchase the entire business of Keihin Artwork Co., Ltd. (hereafter “Keihin Artwork”) and EDA Connect Co., Ltd. (hereafter “EDA Connect”) effective May 1, 2006, and made the related business transfer agreement. The outline of the business transfer is as follows.

(1) Reason for the business transfer

The Company mainly engages in offering software and technology services related to CAE and networks, and aims to develop the CAE application areas and promote services based on CAE. On the other hand, Keihin Artwork specializes in simulation, design and consulting for PCB (Printed Circuit Boards), and has a history of approximately 40 years and great technological ability in that area. In addition, EDA Connect is a company that develops and sells design and manufacturing tools for PCB as an affiliate of Keihin Artwork.

The Company considers that, as a result of the purchase of the entire business of these companies, it will be able to sell software products and offer related technology support services in the EDA (Electronic Design Automation: automatic design and verification of electronic and electric circuits) business, in addition to more extensive and satisfactory solution services including PCE designs and advanced PCB solutions.

(2) Description of the transfer

Certain business assets of Keihin Artwork and EDA Connect, contracts necessary for the transferred business, and software developed by these companies as of the date before the business transfer date (May 1, 2006) will be transferred to the Company. Receivables and payables of these transfer companies will not be basically transferred.

(3) Transferred assets, liabilities, etc.
