

April 27, 2006

Notification of Change in Organizational Structure

We hereby give notice that the following organizational and personnel changes were approved at the meeting of the Board of Directors of Cybernet Systems held on April 25, 2006. The changes described below take effect on May 1, 2006.

1. Date of Organization and Personnel Changes

May 1, 2006

2. Overview of Change in Organization

Establishment of EDA Engineering Service Department

Cybernet Systems received the business rights of Keihin Artwork, Inc. and one other company on May 1, 2006. In this connection, we have established the EDA Engineering Service Department within the Applied Systems Second Division to carry on and develop Keihin Artwork's business in printed circuit board design and other operations while further expanding our solutions domains.

Please refer to our FY2006 Organization Chart (as of May 1, 2006)
