

# ライセンス番号、シリアル番号 およびシートIDの確認方法

## ① ライセンス番号の確認

1. Goldfire Administrator にログイン
2. User Administration > End-Users をクリック
3. Current licenses をクリック

The screenshot shows the Goldfire Administrator interface. On the left, the 'User Administration' menu is open, with 'End-Users' selected. The 'Current licenses' table is visible, with a callout box highlighting the license number 'Licene 1234'. The 'Server Info' dialog box is open, showing the 'Serial Number' field with a callout box highlighting the value 'XXXXX-XXXXX-XXXXX-XXXXX-XXXXX'. The 'Server Info' dialog box also shows the 'Server Name' as 'Goldfire Server 12.5 (build 12.5.25348.25348)' and the 'Licensed Languages' as 'English, Chinese, German, French, Japanese, Russian'. The 'Server Info' dialog box has a callout box highlighting the 'Serial Number' field.
